Welcome to YNCORIS!

## **WE THINK IN NEW DIRECTIONS**

YNCORIS combines over a hundred years of experience in the chemical industry with the energy of a young, ambitious company. We build on both when we develop solutions for our customers with vision. Because when it comes to a partner for future-proof production, we want to be your first choice. Always and everywhere.

## **DRIVING FORCE FOR YOUR PRODUCTION**

Industrial services that are up to complex tasks? YNCORIS is the ideal partner, from individual solutions to complex plant projects. Our services secure your production, raise hidden potentials and lead you safely into the future. So that you are successful in one of the most demanding industries in the world.

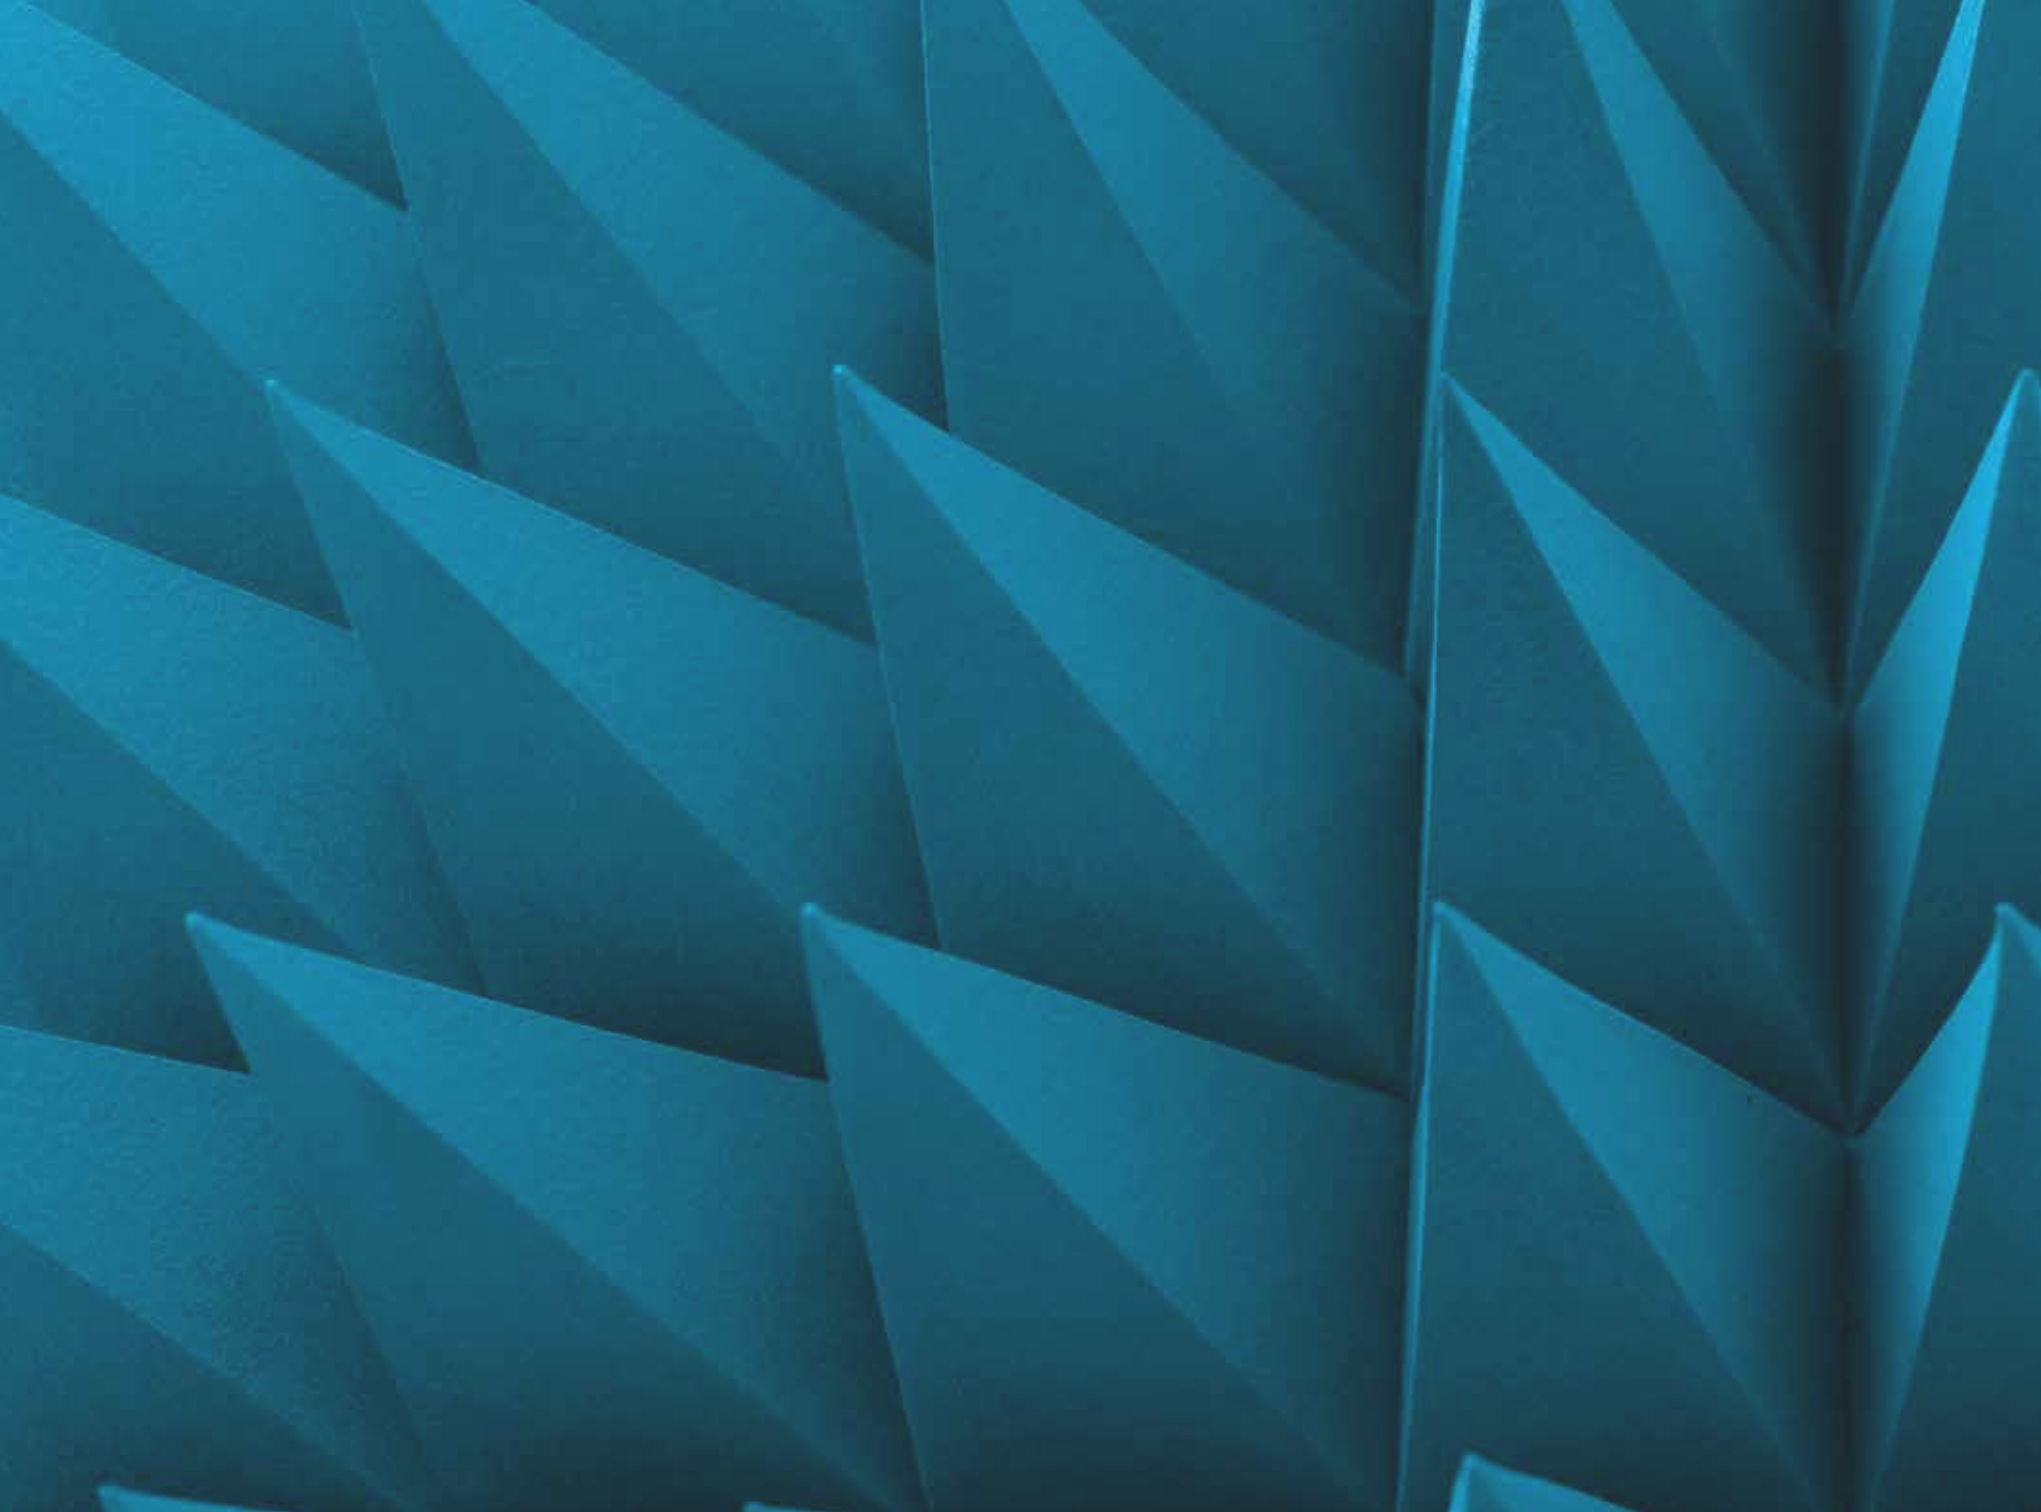

PASSION

## **AMBITION TO BECOME BETTER AND BETTER**

Commitment and enthusiasm are among our most important virtues. Because thinking in solutions is more than just an assertion at YNCORIS. Our employees listen and analyze requirements down to the last detail. We develop customized concepts that really help our customers get ahead. How can we get you ahead?

INNOVAT Y ON

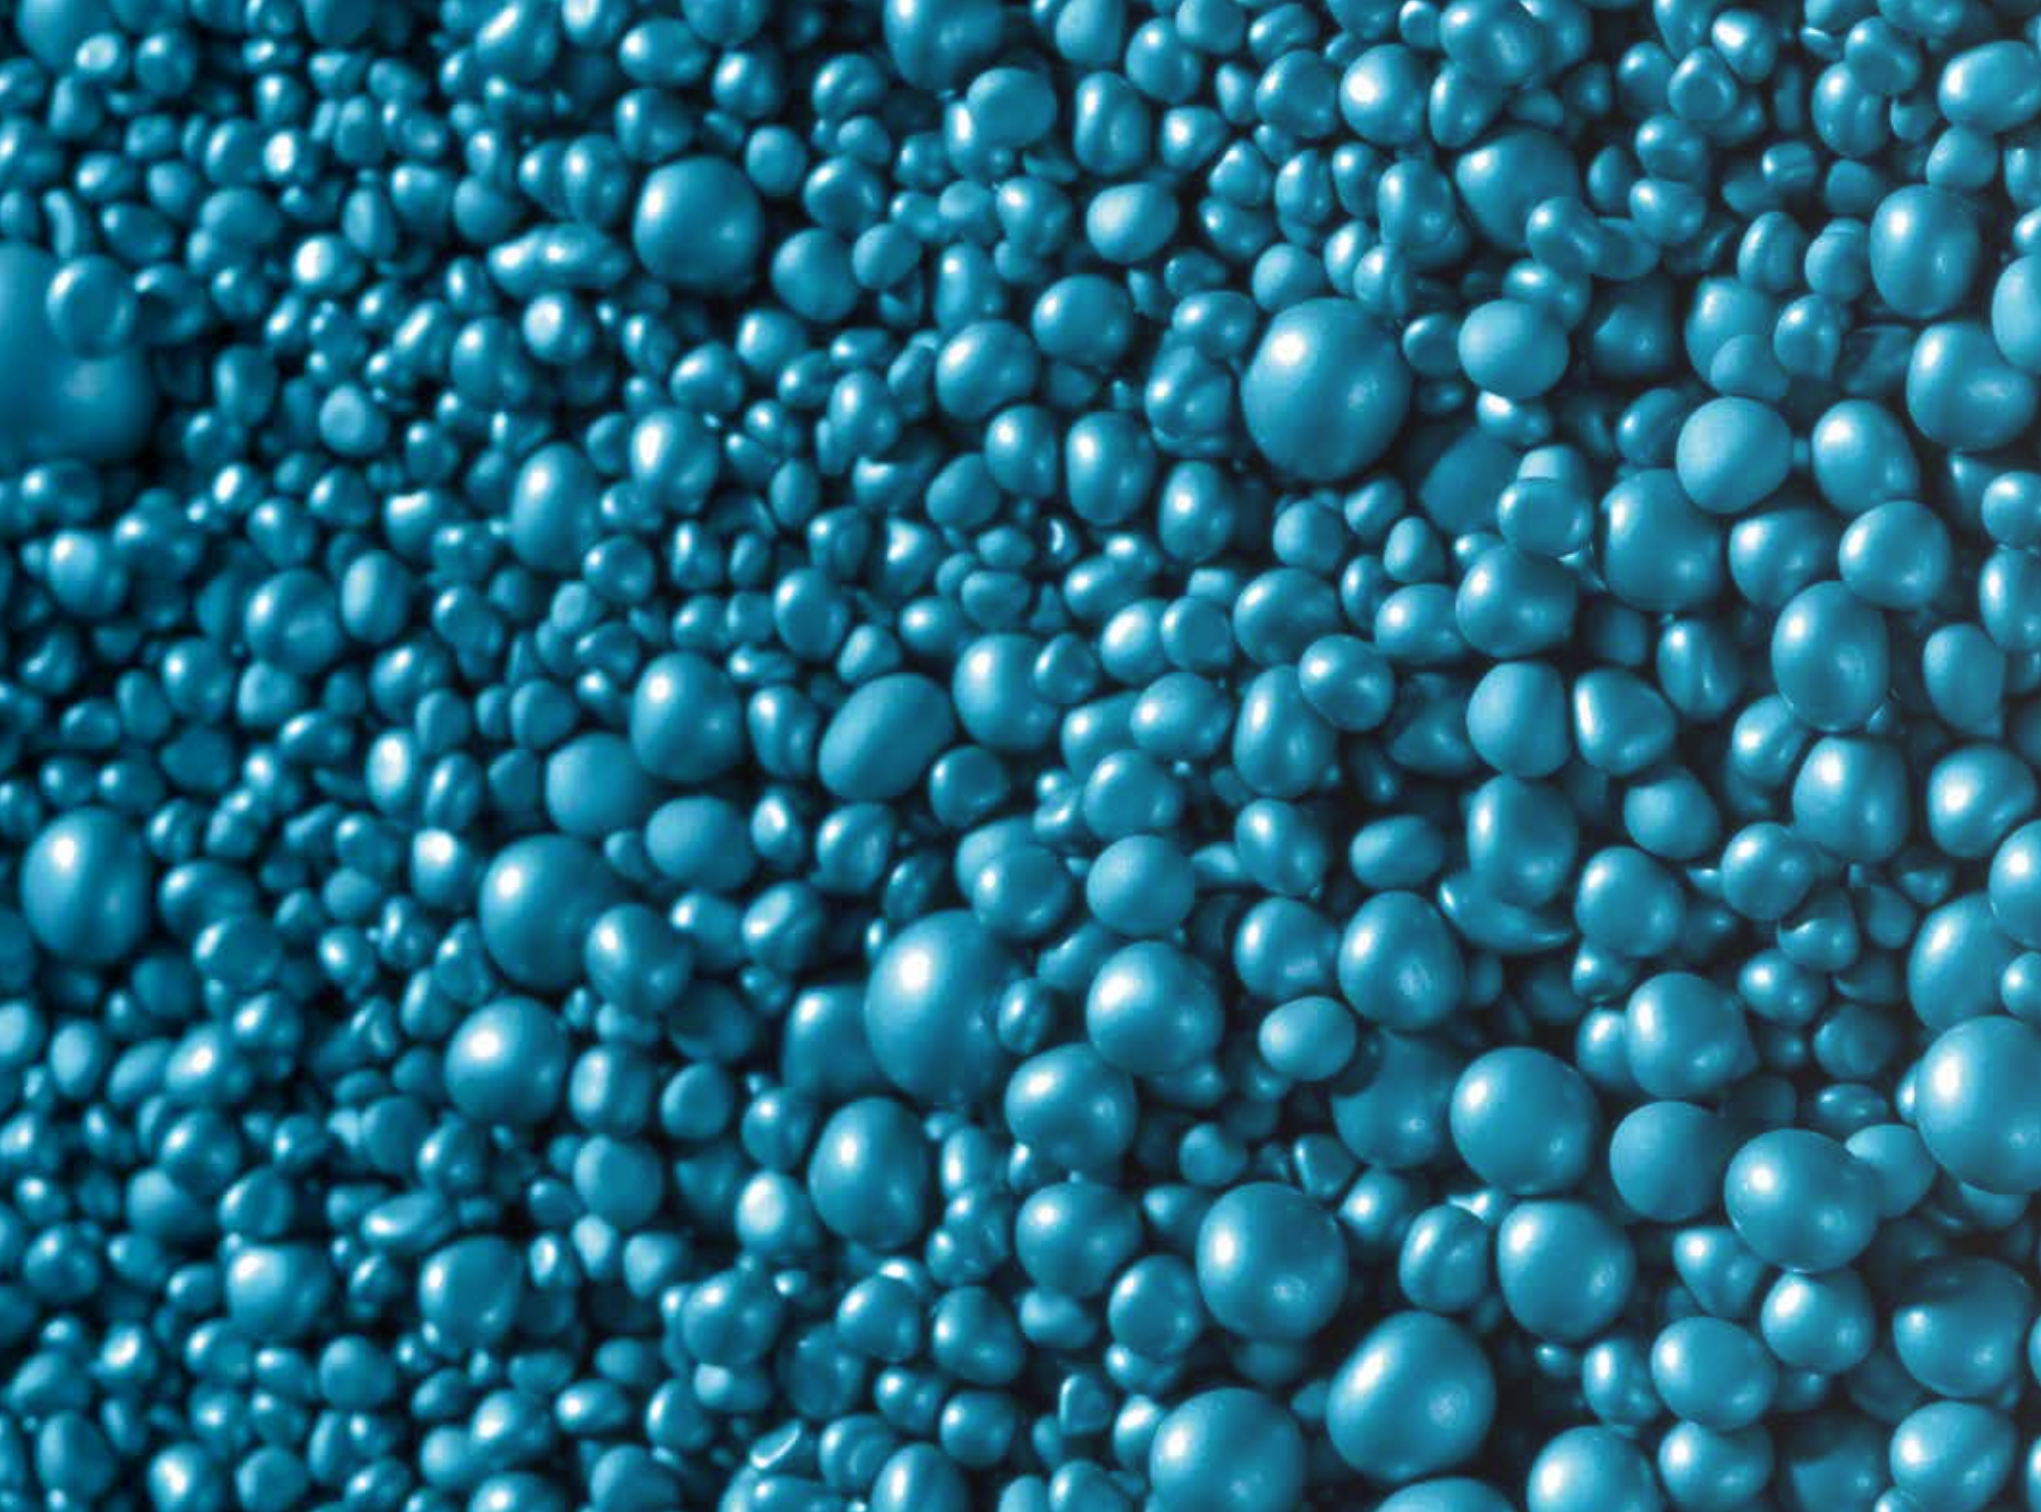

## **DECIDE RIGHT TODAY FOR TOMORROW**

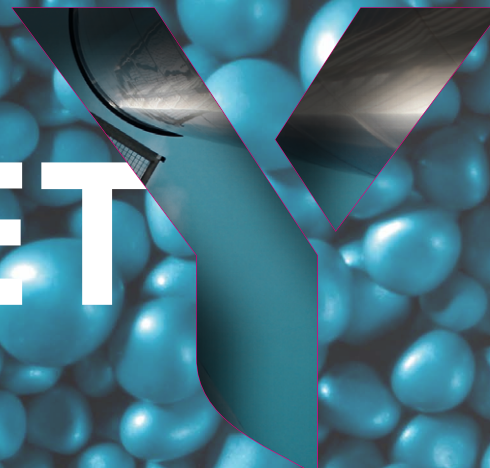

Innovations provide valuable impulses for improvement. The more technical the environment, the more important is this realization. YNCORIS has the courage to take unusual paths and to rely on advanced technologies at an early stage. This way, we also help you to assert yourself and to expand the lead over your competition!

SAFETY

## **RELIABLE BASIS FOR EVERYTHING**

The chemical industry does not tolerate false compromises. That's why we at YNCORIS follow a simple philosophy: with our services, we create optimal conditions to ensure the efficiency and future viability of your production facilities and infrastructures. Let us get into a conversation about this.
